Austin has the recipe for middle-class jobs

Austin Business Journal

Date: Tuesday, November 29, 2011, 6:48am CST

Austin has the right formula for creating middle-class jobs by drawing in highly skilled people who found startups and employ lower-skilled workers for their company, according to the *Wall Street Journal*.

By creating middle-level jobs for residents who are less educated, Austin has also been successful in raising their fortune, the Journal said.
