[Insurance, Austin](#)

The Austin area is one of the most secure places to live in the nation, according to a ranking by [Farmers Insurance Group](#) .

Farmers gave Austin the No. 10 spot on its list of the most secure U.S. communities among large metropolitan areas with a population of 500,000 or greater.

Pittsburgh took the top spot as the most secure. El Paso made the list at No. 3.

The insurance company annually ranks nearly 400 U.S. communities based on safety and security.
